## **WELFARE TO WORK PROGRAM**

On March 8, 1997, President Clinton asked Federal agencies to do everything they could to hire people off the welfare rolls into available jobs in the government. Each Federal agency has committed to assisting welfare recipients in their transformation from welfare to work.

In order to keep a record of the number of welfare recipients who are successfully employed by the Federal Government, the U.S. Office of Personnel Management (OPM) is asking all new hires to fill out the attached form. This form will allow OPM to report the numbers of welfare recipients who are hired by the Federal Government. The reports will be used for statistical purposes only and will not be used to identify individuals.
